

## **Scholarship Application**

Western Regional Summer Institute For Union Women (SIUW)

June 16 to 20, 2011—Honolulu, Hawai'i

The number of scholarships is limited and will be based on funds available. Scholarship awards will be for amounts between \$200 and \$615. Scholarship award decisions will be based on the information provided below with first priority being given to women who have never attended a Summer Institute, women with less experience in a union leadership role and/or women who are paying their own way in part or full to attend this year's Institute.

### **Deadline**

Full consideration will be given to all applications **received by** April 18, 2011. (Round 1) Applications received after April 18 will be considered only if scholarship money remains. (Round 2)

Successful applicants in Round 1 will be notified by April 20, 2011. Scholarship applicants applying in Round 2 will be notified within two days of receipt of their application as to whether or not they will be awarded a scholarship.

Scholarship applicants have the option of sending in their SIUW registration and payment prior to April 18 and receiving a scholarship reimbursement the final day of the Institute if they are awarded one. Or, they may wait to hear if they receive a scholarship before sending in their registration and their scholarship will be applied toward their registration fee.
